NOTICE TO CITY SUBSCRIBERS.

Wishing to confine our business as near as possible to the CASH SYSTEM, we have determined hereafter to collect our subscriptions, within the city, QUARTERLY. To carry this determination into effect, we have placed our whole city list in the hands of Mr. WILLIAM GILL, who will make the collections, and also attend to the delivery of the Papers, and see that subscribers are served punctually. We hope this arrangement will be satisfactory to all parties. These who may desire to save them | \$1 50, and haives at 75 cents. selves the necessity of making four payments during the year, can, if they prefer it, pay in advance for the whole year.

THE GAIETY .- The attendance on Saturday night was something better in point of numbers, and with all, Mrs. HENRI became a favorite. zer We are quite sure our readers will hail with much pleasure the assurance that GEO. D. PRENTICE. Esq., will, at no very distant day-probably about the first of December-d-liver one or more of his eloquent and utility. much admired Lectures in this city. When he was last in this city, he was pressed for time, and was only enabled to give balf a day's notice of his Lecture on that occasion, and hence not a tithe of those who would have been rejoiced to have heard him, were apprised of the time and place. Timely notice will be given on his next coming, and he will be greeted by an audience worthy of his distinguished merit.

HOWLAND'S BENEFIT. - To-night is set apart by the management for the benefit of HARRY Howkand, the comedian of the Galety, Mr. and Mrs. CHARLES HENRI have generously volunteered their services for the occasion, and a bill is announced, embracing a round of Laughable characters seldom equaled. If there are any about this town of the 'Cassius-kind," who want half an inch of fat, more or less, placed on their ribs, let them go to the Gaiety to-night. Let all who desire to afflicted with inflamed eyes in an aggravated spend an evening in the agreeable exercise of trums to no effect. At length I was induced laughing, go to Howland's benefit. He des to try the Arctic Liniment, and in 2 months serves it, and it will do them good.

Eggag.-In the communication in Saturday's Parmor, in relation to the "Antiquity of our Salphur Spring as a Salt Manufactory," the vessel tound is described as being "in the form of a bottle." It should be, "in the form of a salt-boiler."

The Chicago Times, a paper which disputes the propriety of others styling it the "organ of Mr. Douglas," but which is certainly "in a position to understand the views" of Mr. Douglas, says of the story started by the Chicago Herald, that Douglas had been deteated by the election of three Buchaneers

The Republicans and Danites of Chicago have been trying to delay payment of their lost bets, by silly stories that two of the Southern Districts have elected anti-Douglas Democrats. This story is too absurd for belief. The Danites get less votes in Southern Illinois than Fremont did in 1856.

The Shelbyville Constitutionalist has recently changed hands. It is now edited by J. J. McDaniel, formerly of the Columbia Herald. Right gladly do we welcome Mac back to the press-gang, and wish him an overflowing measure of success. A good printer and a ready writer, the democracy of Bedford will find him a worthy counselor.

PORK .- We are frequently applied to by those interested, to know the price of pork in this market. We have heard of no contracts h re yet at a specifi d price. We suppose however, the figures will not vary materially from 4 to 41 cents for family use. Shelbywille ONE of Bason & Raven's Plano FORTES—nearly Expositor, 12th.
